Governor Newsom signs $2.5 billion bipartisan relief package to help Los Angeles recover and rebuild faster from firestorm

LOS ANGELES - With recovery efforts already underway to support those impacted by the Los Angeles hurricane-force firestorm, Governor Gavin Newsom today joined community, city, county, and legislative leaders in near the fire-damaged community of Altadena and signed legislation providing over $2.5 billion in disaster relief. The funding will immediately help bolster ongoing emergency response efforts as well as jumpstart recovery efforts.

The special session legislation - ABx1-4 by Assemblymember Jesse Gabriel (D-Encino) and SBx1-3 by Senator Scott Wiener (D-San Francisco) - provides funding to expedite firestorm response and recovery efforts, streamline rebuilding efforts, and help rebuild fire-damaged school facilities.
