Word on the Street

----------From Kathleen Sterling

While the city roils with tension, there is one thing that brings us together - regardless of race, religion, economic status or politics.

That is music.

Last Saturday, more than 10,000 attended the Hollywood Bowl's opening night.

Broadway and movie star Hugh Jackman was the featured guest artist, while the brilliant and personable Thomas Wilkins conducted the L.A. Philharmonic, with special guest performers from the Youth Orchestra of Los Angeles.

Though Jackman is best known for his role as Wolverine in the *X-Men* films, he is a Tony Award-winning Broadway star for his role from the *Boy from Oz*. He is fresh off his role of Harold Hill in *The Music Man*, and indeed, Wilkins honored him with pieces from *The Music Man* and even *Wolverine*.

Hugh Jackman opens the Hollywood Bowl season.

Jackman himself entertained the audience after the intermission with songs from his most memorable shows including *The Boy from Oz* and *The Greatest Showman*.

And what a showman! Jackman sang, danced, joked with the audience and gave a rousing performance, even dancing and singing his way through the audience.

Fireworks topped off the evening and kicked off an exciting summer schedule of classical, jazz, and contemporary music at the Hollywood Bowl.

The Sunday, the music continues locally as Valley Cultural Foundation starts their summer Concerts in the Park season with No Duh, a tribute to No Doubt and Gwen Stefani.

VCF has been producing the free concerts in the park since 1975. Concerts were first performed from a trailer pulled on the park, and drew crowds even then. Today a professional bandshell hosts concerts and events attended by thousands every Sunday.

Their new Emerging Artists program showcases new local talent each night before the main event.

The Valley now also has its own professional concert and event venue at The Soraya.

Located on the CSUN campus, The Younes and Soraya Nazarian Center for the Performing Arts will start their season in September with *Fiddler on the Roof*. The season continues with a selection of music - from ethnic to classical to their famed "Jazz at Naz" series, where they transform the stage into an intimate jazz club.

I grew up at the Music Center and the Hollywood Bowl as my parents loved music and sang opera around the house.

For me one of the *best* things about our city is the variety of venues and offerings where so many can relax, escape reality and enjoy for a few hours the enchantment of a classical piece, a movie score, or a new composition.

I'm not saying ignore the strife, the drama and the reality of what's happening here, but take a few hours off and grab a picnic, a lawn chair or a blanket. Grab the family, partners or good friends, and lose yourself in the music.

Clarkson's Farm Continues to Amuse with Farming Antics

By Katie Sterling

It's hard to see other people living your dreams. That dream being the owner of acres of farmland in the English countryside. Farmland amuck with various animals, crops and idyllic landscapes to keep you occupied for hours. Granted, if anyone can tell you that dreams aren't always what they're cracked up to be, Jeremy Clarkson would be first in line.

In the fourth season of his hit Amazon show, *Clarkson's Farm*, Clarkson is again fighting the never-ending battle of attempting to run a successful farm. His troubles are our amusement, seeing as how the man known for his *Top Gear* days isn't exactly qualified for farm logistics. However, thanks to those *Top Gear* days, Clarkson has enough funds to fail spectacularly and well, keep calm and carry on as they say.

Thanks to his dedicated team, who actually know what they are doing, Clarkson has been able to establish Diddly Squat Farm as a profitable and popular spot in Chipping Norton. In four seasons, he's tended to the land, raised animals and created not only his own beer from the grains he grows, but opened up a farm shop and a café selling only what he has grown on the farm.

Season four picks up a few months after the end of season three with Clarkson setting his sights on his next big project: opening a local pub. Given how much the local council has been vehemently against any of his previous projects, Clarkson must find an establishment outside of local limits. While pub-hunting, Clarkson must also still follow through with his farm responsibilities, an extra pressure this year seeing as how his right-hand man Kaleb is off on his own book tour. In four seasons, everyone's popularity has grown but, alas, Clarkson's farm skills have only scantily improved.

To rectify this issue, Clarkson hires a temporary farm assistant, Harriet, who may be half his age, but has twice (dare I say three-times) the knowledge. While Kaleb feels a little thrown by this decision, he can't fault the fact that her presence showcases how important it is for younger generations to keep farm life thriving. And truly, that is an important message woven throughout the whole series, despite how comical many of their adventures tend to be. Clarkson works tirelessly with his team and neighboring farmers to ensure that the work they put into their crops is appreciated and continues to thrive despite environmental and government setbacks. *Clarkson's Farm*, in many ways, is a small peek into an industry that is struggling to survive thanks to climate change and a way of life that may cease to exist as technology continues to involve.

He may know diddly squat about its practices, but farm life through his eyes has never been more appealing.

While it touches on these issues throughout the show, it mainly provides a comforting escape for viewers looking for a laugh. From battling Mother Nature to buying Lamborghini tractors, there's no doubt that Clarkson isn't your traditional farmer utilizing traditional techniques. He may know diddly squat about its practices, but farm life through his eyes has never looked more appealing.

Clarkson's Farm is currently streaming on Amazon Prime.

Don't Let Parade Pass You By! Tony-Award Winner at Ahmanson

The 2023 Tony Award Winner for Best Revival of a Musical is coming to the Ahmanson Theatre June 17 to July 12. *Parade* has been proclaimed as "a work of art! As commanding as any musical revival to hit Broadway in years" (*Deadline*).

Leo and Lucille Frank are a newlywed Jewish couple struggling to make a life in the old red hills of Georgia. When Leo is accused of an unspeakable crime, it propels them into an unimaginable test of faith, humanity, justice, and devotion.

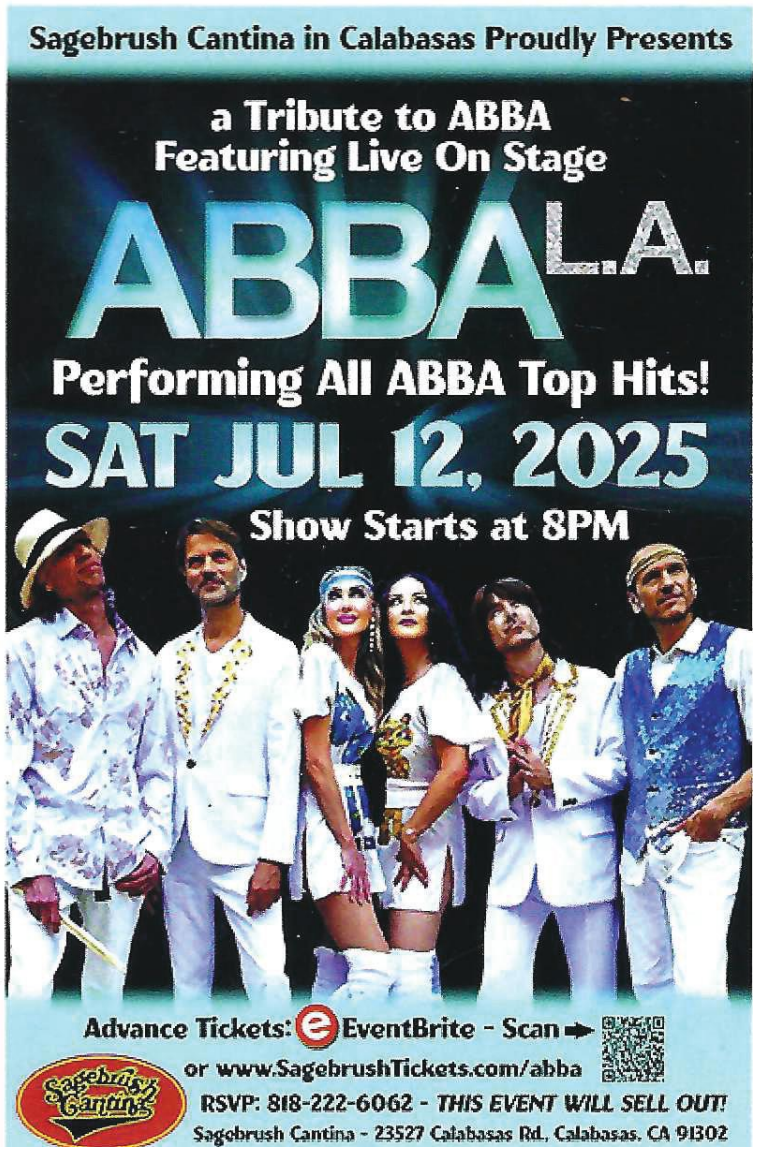

Parade is a dramatization of the real-life 1913 trial and imprisonment and 1915 lynching of Frank. Riveting and gloriously hopeful, *Parade* reminds us that to love, we must truly see one another.

Parade has received overwhelming acclaim since its debut. The *New York Times* said, "this revival, filled with deft flourishes by director Michael Arden, recalls an era of big casts, big stories, and big talent - a time when musicals actually felt like events." *Entertainment Weekly* called *Parade* "the most gorgeous production on Broadway." *Time Out New York* stated that "*Parade* will echo for a long time to come. See it before the parade passes by."

Parade is directed by Tony Award winner Michael Arden, with book by two-time Tony Award winner, Pulitzer Prize winner, and Academy Award® winner Alfred Uhry, music and lyrics by three-time Tony Award winner Jason Robert Brown, and co-conceived by 21-time Tony Award-winning legend Harold Prince.

Pasadena Playhouse Announces 2025-26 Season

Pasadena Playhouse, the official State Theater of California and recipient of the 2023 Regional Theatre Tony Award, releases a bold, ambitious, and vibrant new season. Producing Artistic Director Danny Feldman announces the Mainstage offerings for the 2025/2026 season plus upcoming youth and family programming.

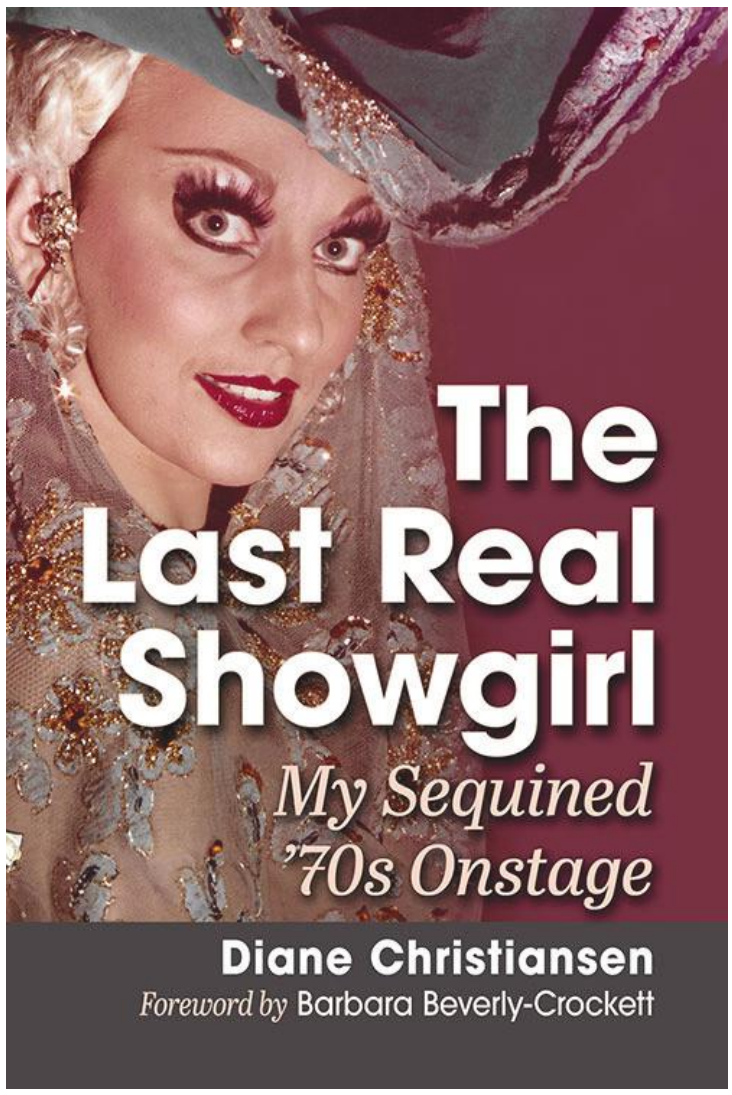

The Mainstage season kicks off with an all new Pasadena Playhouse production of Jonathan Spector's 2025 Tony Award-winning, razor-sharp satire *Eureka Day*; a new production of Peter Shaffer's Tony Award and Oscar-winning masterpiece, *Amadeus* and the critically acclaimed new musical *Mexodus*, a groundbreaking, live-looped, hip hop musical experience by and featuring Brian Quijada and Nygel D. Robinson. The season also features the next production in the Playhouse's American Musical Project - the world premiere of an updated script of Lerner and Loewe's classic musical *Brigadoon,* plus one more show to be announced at a later date.

In addition to their Mainstage season, the Playhouse announces upcoming Youth and Family Programming. Hamid Rahmanian's *Song of the North* created, designed, and directed by Hamid Rahmanian, is a stunning multimedia production that uses projected animation with over 400 puppets to reimagine the Persian epic *Shahnameh* for children ages six to 12 and their families, presented on the Playhouse Mainstage. For the youngest theatergoers of all, *The Lizard & El Sol*, made specially for children ages 0 to 5 and their friends and family, will be presented in the Playhouse Courtyard, performed primarily in Spanish, but designed to be enjoyed and understood by both Spanish and non-Spanish speakers. Additionally, The *Lizard & El Sol* will have free public performances at select parks in the Pasadena area.

"As we begin our next century with the keys to our historic home back in our hands, there has never been a more exciting moment at Pasadena Playhouse. Our new season is fueled by this energy. It is bold, ambitious, and vibrant, offering the full spectrum of what theater can be. The Playhouse will come alive with plays and musicals, great classics and bold new works, extraordinary stories by some of the great masters of the past and thrilling new voices of today. Stories made for toddlers, devoted theatergoers, and everyone in between. All brought to life in full technicolor by some of the top artists working in Los Angeles and in the American theater. Made just for our stage and for our beloved community. We can't wait to share it with you," said Feldman.

For the first time in over 50 years, Pasadena Playhouse owns its iconic property once again—an artistic home built by and for the community, now back in the hands of the people who bring it to life.

Sequins, Steps, and Secrets: A Real Showgirl Dishes on Dancing in the 70s

Agoura resident Diane Christiansen was 17 when she left Illinois to become a showgirl. She wound up performing on the world's showiest stages, from Paris to the Bahamas to Las Vegas. Her career was packed with adventures, celebrities, jet-setting, 70s-style excess, and intense friendships. Her racy new memoir tells all.

Showgirls were powerful women in charge of their own careers - and well-paid, valued players in the flashy world of sequins, feathers, step-kicks, and lavish productions. Most were classically trained dancers who traveled the globe and planned their post-showgirl futures well in advance.

They were nothing like the forlorn characters in recent movies.

In her candid, rollicking memoir *The Last Real Showgirl - My Sequined 70s Onstage* Christiansen recounts her years on stage — an iconic symbol of sexy, top-shelf entertainment rarely seen today. She offers an insider's view to the alluring world of elaborate costumes, dance routines, the meaning of "semi-nude" and "nude," and life backstage, onstage and offstage. She delves into loves, losses, and her high-flying life.

After her five-decade career as an actress, dancer, author, director, producer, writer, costume designer, and studio owner Christianson is now a top acting coach with students on tTVshows like *Euphoria, This is Us, Stranger Things*, and in countless popular movies.

The *Last Real Showgirl* is available on amazon.com and the lastrealshowgirl.com..

What's a "Workaround" ?

By Phil Swain

Too often, our members tell us their doctor advised them to "do nothing" for weeks or even months after an injury, surgery, or flare-up. But here's the truth: as we age, something is always going on. And doing nothing? That's often the worst thing you can do.

A "workaround" means finding safe, appropriate ways to keep moving despite limitations. Whether it's a sore knee, shoulder issue, or recovery from a procedure, there's almost always a form of movement that can help more than it hurts.

Doctors are busy. It's easier and safer for them to say "rest." But rest shouldn't mean total inactivity. If your doctor tells you not to exercise, it's okay to ask why — and whether there's a safer, modified alternative. Because in most cases, there is.

At Q4 Active, we specialize in helping people move smarter, not harder. The key is to keep going — with guidance, safety, and the right workarounds.

Let's keep moving — for life.

Phil Swain is the founder of Q4 Active, an entirely new fitness studio concept designed especially for adults 50+ to support their combined physical and brain performance in a welcoming, safe, engaging, fun and energizing experience. They offer the most advanced training in cognitive and physical health, created by leading experts on aging, that delivers measurable results to help you stay active and to get the most out of life.

Bill Would Add 118,000 Acres to Santa Monica Mountains Recreation Area

U.S. Senator Adam Schiff (D-Calif.) and U.S. Representative Laura Friedman (D-Calif.-30) introduced the bicameral reintroduction of the Rim of the Valley Corridor Preservation Act, landmark legislation that would protect some of the last wild and open spaces in the Los Angeles area and allow the National Park Service to work with local communities to better protect natural resources and improve access to nature.

This bill would add over 118,000 acres to the Santa Monica Mountains National Recreation Area (SMMNRA) and is based on a National Park Service study that was reported to Congress in 2016.

The Rim of the Valley stretches from the Simi Hills and Santa Susanas to the Verdugos and the San Gabriel Mountains, making a "green belt" that encircles the San Fernando, La Crescenta, Santa Clarita, Simi, and Conejo Valleys.

"The Rim of the Valley contains some of the last wild and open spaces in Los Angeles and connects our urban city centers and suburbs with the beautiful outdoors. This legislation will preserve the land and wildlife that millions of Angelenos enjoy. We must protect these natural treasures for future generations, so they too can experience the beautiful hiking, abundant wildlife, diverse ecosystem, and significant historic sites found in the Santa Monica Mountains Recreation Area," said Senator Schiff.

"The Rim of the Valley is one of Southern California's most important natural treasures. We must protect these lands so that every Californian and American can enjoy them for generations to come," said Congresswoman Laura Friedman (D-Calif.-30). "Not only will this legislation provide local communities with better access to our beautiful public lands, but it will ensure that we protect the natural resources and wildlife that call the Rim of the Valley home."

The bill has been endorsed by Active San Gabriel Valley, Amigos de los Rios, Audubon Center at Debs Park, Chinese Historical Society of Southern California, Citizens for Los Angeles Wildlife, Community Hiking Club, City of Santa Clarita, Friends of Grifith Park, Los Angeles Equine Advisory Committee, National Parks Conservation Association, Nature For All, Outward Bound Adventures, Poison Free Malibu, Santa Susana Mountain Park Association, St. Francis Dam Memorial Foundation, Bolsa Chica Land Trust, Central Valley Partnership, Endangered Habitats League, Environmental Center of San Diego, Environmental Protection Information Center (EPIC), Friends of Whittier Hills, Los Padres ForestWatch, Mendocino Producers Guild, Outdoor Alliance, Resource Renewal Institute, The River Project, Friends of the Inyo, Klamath Forest Alliance, and California Native Plant Society.

HOT PROPERTY:
Actor's Secluded Monte Nido

Actor Nick Zano, star of *Obliterated* and *Legends of Tomorrow*, has put his secluded Monte Nido home up for sale.

The private residence sits on a remote cul-de-sac behind double wood gates on a 3/4-acre lot with mature oaks and a seasonal creek.

The rustic, ranch-style home was built in the 1960s and completely remodeled. It has three bedrooms and three baths in 2,200 square feet. Features include polished concrete floors, vaulted ceilings, casement windows and designer finishes.

The living room has a ceiling-high fireplace and French doors opening to a deck. The skylight-topped kitchen features teak cabinetry that was reportedly saved from a mid-century modern Case Study House, marble countertops, a farmhouse sink and vintage Tecnogas range. The foyer has barn-style doors opening to a cozy den. The primary suite has walk-in closets and a bath with a clawfoot soaking tub. The detached garage has been turned into a gym.

Zano bought the home for $1.6 million in 2018. It is on the market now for $3.3 million. The listing is held by Tracy Lynn Testin of Sotheby's International Realty Malibu and Carrie Kasper of Pinnacle Estate Properties.

NOTICE OF PETITION TO ADMINISTER ESTATE OF
BELINDA THERESA CURRY CASE NO: 25STPB05707

To all heirs, beneficiaries, creditors, contingent creditors and persons who may otherwise be interested in the will or estate, or both, of BELINDA THERESA CURRY

A PETITION FOR PROBATE has been filed by JEROME CURRY in the Superior Court of California, County of Los Angeles

The PETITION FOR PROBATE requests that JEROME CURRY be appointed as personal representative to administer the estate of the decedent.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

A HEARING on the petition will be held in this court as follows: Date: 6/18/25; Time: 8:30 am; Dept. 9, of the Superior Court of California, County of Los Angeles, located at the Stanley Mosk Courthouse, 111 North Hill Street, Los Angeles, CA 90012.

IF YOU OBJECT to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined in section 58(b) of the California Probate Code, or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.

YOU MAY EXAMINE the file kept by the court. If you are a person interested in the estate, you may file with the court a Request for Special Notice (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A Request for Special Notice form is available from the court clerk.

Petitioner: Jerome Curry, 1625 Alabama Street, Vallejo, CA 94590 (510) 830-6969.

RESOLUTION NO. 2025-1958

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CALABASAS, CALIFORNIA, DECLARING ITS INTENT TO LEVY AND COLLECT ASSESSMENTS WITHIN LANDSCAPE MAINTENANCE DISTRICT NO. 22 AND LANDSCAPE LIGHTING ACT DISTRICT NOS. 22, 24, 27 AND 32 AND SETTING A TIME AND PLACE FOR PUBLIC HEARING.

WHEREAS, by prior resolution, the City Council initiated proceedings to levy and collect assessments for Fiscal Year 2024-2025 in connection with Landscape Lighting Act District No. 22, Landscape Lighting Act District No. 24, Landscape Lighting Act District No. 27, and Landscape Lighting Act District No. 32 (collectively the "Districts" and each a "District") pursuant to the Landscaping and Lighting Act of 1972 (California Streets & Highways Code Section 22500 et seq.) (the "Assessment Law"), as well as in connection with Landscape Maintenance District No. 22; and

WHEREAS, by prior resolution, the City Council approved the Report of Willdan Financial Services, as Assessment Engineer, entitled "Preliminary Engineer's Report for Landscape Lighting Act Districts No. 22, 24, 27 & 32, City of Calabasas" and dated April 23, 2025, (the "Report"), which Report is on file in the office of the City Clerk and available for public inspection; and

WHEREAS, the City Council desires to move forward with proceedings to levy the Fiscal Year 2025-26 assessments.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CALABASAS DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The foregoing recitals are all true and correct.

Section 2. The City Council declares its intention to levy and collect an assessment for Fiscal Year 2025-26 in connection with the Districts.

Section 3. The proposed improvements to be maintained in connection with the Districts are generally described as landscape maintenance, tree trimming and brush clearance. No substantial changes are proposed in the nature of improvements funded through the Districts, though modifications to the precise plan of services are set forth in the Report and documents incorporated therein.

Section 4. The distinctive designations of the Districts are (i) "Landscaping Lighting Act District No. 22", which is generally located in the Calabasas Park Area, (ii) "Landscaping Lighting Act District No. 24", which is generally located in the Malibu Lost Hills and Saratogas Developments, (iii) "Landscaping Lighting Act District No. 27", which is generally located in the Las Virgenes Canyon Area, and (iv) "Landscaping Lighting Act District No. 32", which is generally located in the Malibu Hills Road, Agoura Road, Lost Hills Road Commercial District. The ad valorem assessment district designated "Landscape Maintenance District No. 22" is generally located in the Calabasas Park area.

Section 5. Reference is made to the Report for a full and detailed description of the public facilities to be maintained in connection with the Districts, of the boundaries of the Districts, and of the proposed assessments upon assessable lots and parcels of land within the Districts.

Section 6. The amount of the Fiscal Year 2025-2026 assessment is unchanged from Fiscal Year 2023-24, except for an add 3.30% CPI inflation adjustment, as approved in previous years' assessment balloting proceedings for Landscape Lighting Act District Nos 22, 24, and 27 and 32. Therefore, none of the assessments are to be "increased", as that term is used in Article XIIID of the California Constitution (Proposition 218).

Section 7. The City Council will hold a hearing (the "Hearing") on the Fiscal Year 2025-26 levy of assessments in connection with the Districts and in connection with Landscape Maintenance District No. 22, on June 11TH, 2025, at 7:00 p.m., or as soon thereafter as feasible, in the Council Chambers located at Calabasas City Hall, 100 Civic Center Way, Calabasas California. At the Hearing, all interested persons shall be permitted to present written and/or oral testimony regarding the proposed assessment.

Section 8. The City Clerk is ordered to give notice of the Hearing as required by Section 22626(a) of the Assessment Law.

Section 9. The City Council designates Christopher Parker, Landscape Districts Maintenance Manager, who may be contacted at (818) 224-1600, as the person whom interested parties may contact for information.

NOTICE IS HEREBY GIVEN THAT ON THE 11TH DAY OF JUNE, 2025 THE PUBLIC HEARING WILL BE OPENED AND CONTINUED TO THE 25TH DAY OF JUNE, 2025. BOTH PUBLIC HEARINGS WILL BE AT 7:00PM, IN THE COUNCIL CHAMBERS OF THE CITY COUNCIL IN CITY HALL, AT 100 CIVIC CENTER WAY, CALABASAS, CA 91302, ANY PERSON HAVING AN OBJECTION TO THE PROPOSED WORK OR LEVY OF ASSESSMENT, MAY APPEAR AND SHOW CAUSE WHY SUCH WORK SHOULD NOT BE DONE OR CARRIED OUT, OR WHY SUCH ASSESSMENTS SHOULD NOT BE LEVIED IN ACCORDANCE WITH THIS RESOLUTION OF INTENTION. WRITTEN PROTESTS MUST BE FILED WITH THE CITY CLERK PRIOR TO THE CONCLUSION OF THE PUBLIC HEARING AND MUST STATE ALL GROUNDS OF OBJECTION AND A DESCRIPTION SUFFICIENT TO IDENTIFY THE PROPERTY OWNED BY SUCH PERSON.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.
