SACRAMENTO, California, Feb. 4 (TNSPol) -- Equality California issued the following news release:

Equality California, the nation's largest statewide LGBTQ+ civil rights organization, has endorsed 29 incumbent legislators running for re-election to the California Senate and Assembly in 2022. Equality California extends pro forma endorsements to incumbent candidates in the California Assembly and Senate who have earned a 100% pro-equality rating on the organization's legislative scorecards in both of the last two years and who meet Equality California's code of ethics, standards of conduct and other applicable endorsement criteria. (See below for additional details.)

The organization released the following statement from Executive Director Tony Hoang on Thursday announcing the endorsements:

"LGBTQ+ Californians are lucky to have so many strong pro-equality champions fighting for our civil rights and social justice in Sacramento. Indeed, the Golden State is leading the nation's fight for full, lived LGBTQ+ equality -- serving as a beacon of hope to LGBTQ+ people around the world -- because of our partners in the California Legislature. As they continue to stand with Equality California and demonstrate their unwavering support for a world that is healthy, just and fully equal for all LGBTQ+ people, we'll continue to stand with them -- and we're confident that California voters will, too."
